

A modern, chrome-finished shower system. It features a large, square, rain-style showerhead mounted on a curved arm at the top. Below it is a handheld showerhead on a vertical sliding bar. The base of the system is a wall-mounted control panel with two knobs for temperature and flow, and a diverter switch. A flexible hose connects the handheld showerhead to the control panel. The entire unit is made of polished chrome.

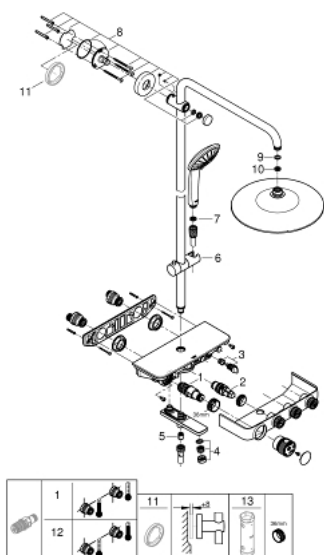

- Colour: chrome
- horizontal swivable 450 mm shower arm
- upper bracket adjustable for minimal adaption to existing drilling holes
