

## A modern, chrome-finished shower system. It features a large, circular rain showerhead mounted on a curved arm at the top. Below it is a vertical bar with a handheld showerhead attached via a sliding mechanism. At the bottom, there is a wall-mounted control panel with a central handle and two side buttons, likely for temperature and flow control. A flexible hose connects the control panel to the handheld showerhead.

- Colour: chrome
- consisting of:
  - horizontal swivable 390 mm shower arm
  - exposed Safety Mixer with Aquadimmer function
  - allows change between:
    - head shower Tempesta 250 (26 666)
    - spray pattern:
      - Rain
