

A sleek, modern shower system with a large overhead rain showerhead, a handheld showerhead on a vertical bar, and a wall-mounted control panel with a diverter. The system is finished in a polished chrome or stainless steel. The overhead showerhead is circular and mounted on a curved arm. The handheld showerhead is also circular and is attached to a vertical bar that can be adjusted up and down. The control panel is mounted on the wall and features a diverter lever to switch between the two showerheads. The entire unit is minimalist and contemporary in design.

- Colour: chrome
- consisting of:
 - horizontal swivable 390 mm shower arm
